A QUARTERLY NEWSLETTER OF HCS GROUP, PC VOLUME 1, ISSUE 3

A Word from Leadership: What a great year for the HCS Group Team! You could not ask for a more loyal and dependable staff. After finishing FY15 deadlines on time; we are off to new and emerging FY16 projects. First stop Corpus Christi Army Depot then on to San Antonio. After Texas on to Lakenheath AFB United Kingdom, Honduras and ending in Colombia before I return home again. And that is just me in October! Tom and others will be at Ft. McClellan, Eglin AFB, Lackland AFB and yes even projects downtown Montgomery and in Prattville. FY16 is looking like a busy year for the Team. Thanks to the best Team I could ever serve with!

HCS is proud to announce and congratulate Jacob Willis on becoming our newest Professional Engineer (PE) in 2015. Jacob will be one of the engineers working on our most recent project awards at Eglin Air Force Base, Misawa Air Base in Japan and RAF Lakenheath Air Base in the United Kingdom. He just finished a renewable Energy Platform design off the coast of Nicaragua consisting of wind and solar systems supporting a counter-narcotics offshore marine base.

Jacob received his Bachelor of Electrical Engineering from Auburn University and is also a LEED Green Associate. He is a member of the USGBC, IEEE, IES and the Montgomery Electrical Contractors Association.
