A QUARTERLY NEWSLETTER OF HCS GROUP, PC VOLUME 1, ISSUE 4

A Word from Leadership: What a great close to 2015 for the HCS Group Team! Multiple contract awards with existing clients and developed new clients and projects this year as well. I cannot emphasize more the value of developing a great in-house core Team of Leadership!

In closing this year, we want to focus on our third Mission Goal: *Service - "Our Team's Greatest Privilege"*. It has been our pleasure to provide our community and world abroad with our services and appreciate the responsibility placed upon us to serve others. Our Featured Project below says it all!

FY16 is looking like a busy year for the Team. Thanks to all our clients, family and friends for your continued support!

FEATURE PROJECT

Humanitarian Assistance Program (HAP) projects

HCS Group has performed engineering services for numerous Humanitarian Assistance Program (HAP) projects worldwide. Since 2009 HCS Group has had the privilege to travel and work on over 100 HAP projects as Prime A/E or as a consultant to provide needed infrastructure to those areas and people in need of assistance.

Featured Project Types: Schools, Classrooms, clinics, hospitals, Emergency Operations Centers (EOC), Disaster Response Warehouses (DRW) and Motor Pools.

Also, solar power projects to provide needed power in remote areas off the grid, clean water supply and needed sewer treatment systems.

Project size does not create its value.

It is the size of the smiles you get in the process!

Around the office...

The staff of **HCS Group** would like to wish you and yours a Merry Christmas and Happy New Year. This year, as in years past, we adopted a family that suffered from domestic violence. It is our way of giving back for our many blessings.

As we got together for our Christmas lunch, we realized how blessed we are to have each other and to work for Kent Hornsby. His leadership and ethics make it easy to come to work every day. We strive to do our best for him. At HCS Group, company loyalty is not just a phrase, it is a lifestyle.

The HCS Group Staff

HCS Group is proud to be associated with two teams selected for Global Architect-Engineer Services, Indefinite-Delivery, Indefinite-Quantity (A&E IDIQ) Contracts in support of USAID.
