A QUARTERLY NEWSLETTER OF HCS GROUP, PC 2016, ISSUE 2

A Word from Leadership: With a large number of FY16 deadlines, the HCS Group Team has been working day and night to facilitate this year's awards. Thanks to our great staff and families for understanding and committing to this process.

Our Featured Project below shows our commitment to working overseas and even though a small business having a large foot print worldwide. In June, I traveled to Spain working at Rota Naval Base to further strengthen our overseas operations. Even had time to travel to Morocco and rocked the Kasba.

Thanks to all our clients, family and friends for your continued support!

FEATURE PROJECT

Aircraft Hangar and Fire Station, Brunei Shell Anduki Airfield, Brunei

On the other side of the world, Anduki Airfield is an airfield in Seria, Brunei. It is operated by Brunei-Shell Petroleum, which uses Sikorsky S-92 helicopters in support of offshore oil platforms and rigs in the South China Sea.

HCS Group part of the design Team for Sikorsky designed the electrical and communications systems in accordance with United Kingdom codes and standards to provide a state of the art hangar complete with climate and humidity control, maintenance bays, 400 Hz distribution and in-floor fiber-optic lighting for air frame under-carriage inspections.

The facilities are complete and in full operation in support of the ocean platforms.

HCS Group's Mission and Goal:

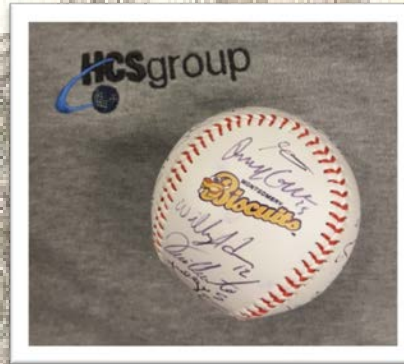

- Leadership** - "Our Team's Greatest Asset"
- Integrity** - "Our Teams Greatest Responsibility"
- Service** - "Our Team's Greatest Privilege"

Around the office...

Military Appreciation Night

With the majority of our projects being military related, HCS Group has worked with our military professional warriors worldwide and has made a commitment to support our military personnel when we can. A portion of our staff has children serving in the military and we stand proud of their commitment and sacrifice to our nation's security. One way we give back is through the Wounded Warrior project, but recently we had the opportunity to support our local military men and women from Maxwell AFB.

The Montgomery Biscuits Baseball team is a minor league team in Montgomery and the Class AA affiliate of the Tampa Bay Rays. On May 7th, 2016, The Montgomery Biscuits had their annual Military Appreciation Night, whereas, members of our armed forces were recognized and celebrated. HCS Group was a proud sponsor of this event, making it possible to assist in paying for our military service members' tickets.

We salute our Military and are thankful for their commitment!

Incorporating Modern Technology into Engineering Design

Be a Leader in the Industry

Kent L. Hornsby, PE, LEED AP (BD+C)
President/CEO | HCS Group PC |

On June 15th, Kent Hornsby and Jacob Willis gave an AIA approved seminar on Incorporating Modern Technology into Engineering Design to the AIA's Montgomery Chapter. The attending architects received CEU hours as well as up to date information on the technology available to support their facility designs and operations.
