A QUARTERLY NEWSLETTER OF HCS GROUP, PC 2017, ISSUE 1

A Word from Leadership: With FY17 in full force, our Small Business Team is traveling to Washington State, Uruguay, Guatemala, Peru, Puerto Rico, Honduras, Colombia, and just in our first quarter. Our team is providing Facility Assessments and infrastructure surveys for our newly awarded project designs.

Thanks for giving me the honor & privilege to witness new Leadership grow within our ranks.

The Feature Project below is an example of our commitment to Sustainable Design principles, working with our clients in extreme conditions to provide the needed support for secure energy platforms in support of mission critical operations.

Thanks to all our clients, family, and friends for all you do.
Great Beginnings for Year 2017!

FEATURE PROJECT

Counter Narcotics Forwarding Ops Base and Fixed Docking Structure - Cayos Miskitos, Nicaragua

Located off the coast of Nicaragua, HCS Group designed a Counter Narcotic Forward Operating Location Base Platform at Cayos Miskitos. This hybrid solar/wind power system Energy Platform provides 100% of the power needed by the remote ocean Forwarding Operating Base platform in support of the Nicaraguan Marine Force. The system was designed as an off-grid Resilient Islanded Micro-Grid network with banks of battery supplies to store enough energy to supply the base with sufficient power for running 24/7 mission operations. Critical missions require critical, reliable and sustainable power to run operations and communications systems from remote sites.

Total cost was \$3,000,000.

HCS Group's Mission and Goal:

Leadership – “Our Team’s Greatest Asset”

Integrity – “Our Teams Greatest Responsibility”

Service - “Our Team’s Greatest Privilege”

Around the office...

The Humanitarian Assistance Program (HAP) was brought about as a way to assist the world with disaster relief, improvements to medical and educational facilities, maintaining clean water, roads and bridges, and various other support to our global neighbors. HCS Group has worked with both the USACE and USAID to carry on their mission.

We, as a company, feel privileged to work on these projects that aid and assist our fellow human beings.

News

HCS Group was a proud sponsor of the local Montgomery, Alabama 1/2 Marathon + 5k Race 11 MAR 2017.

HCS was the finish line sponsor inside our minor-league baseball team stadium. Our own Jacob Willis ran in this year's race and finished strong.

HCS Group supports local family events that encourage community relations.

Finish Strong!
